In recent years, the Evitt Foundation has focused on reducing the startling food insecurities in our community. According to numbers provided by the Chattanooga Area Food Bank, there are over 50,000 individuals in Northwest Georgia who don't know where they will receive their next meal. 26,500 of those are children. This is unacceptable, and we seek to garner support to reduce the need in our own backyard. Funds raised by the Evitt Foundation will be used to provide food to children, as well as their families, with snack pack programs and mobile food pantries throughout the year.

FUNDRAISING

7 HOSTED 2 FUNDRAISING EVENTS

General 100 Relay

Evitt Foundation RTC Junior All-Star
